Examiner's Comment

The affidavit/evidence submitted February 25, 2005 is deemed sufficient to overcome prior art of record and particularly the Jaffe reference. Additionally, it establishes a priority date prior to all other close prior art of record. Accordingly this application is being passed to allowance as the record fails to reflect any other dated prior art which would bar patentability.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jessica J. Harrison whose telephone number is 571-272-4449. The examiner can normally be reached on M-F during business hours.
